Introduction

Dermatology is one of the most sought-after medical specializations in India, attracting aspirants who wish to build a successful career in skin care, cosmetic treatment, and clinical research. For many students, securing a seat in this competitive branch can be challenging through traditional NEET-PG counseling routes. However, the [Direct MD Dermatology Admission in Deemed Colleges Management Quota](#) offers an excellent opportunity to pursue this dream through a transparent and structured process.

If you're exploring options for **MD Dermatology admission under management quota**, this complete guide will help you understand the eligibility, admission process, fee structure, and top deemed universities accepting direct admissions in 2025.

What Is Direct MD Dermatology Admission in Deemed Colleges?

Deemed universities in India are autonomous institutions recognized by the **University Grants Commission (UGC)** and the **National Medical Commission (NMC)**. They have the flexibility to conduct admissions through their own counseling process, apart from the centralized NEET-PG system.

The **Direct MD Dermatology Admission Deemed Colleges Management Quota** route allows eligible candidates to secure a postgraduate seat directly, without waiting for multiple rounds of counseling. This option is ideal for students who:

- Missed a seat during NEET-PG counseling.

- Want to choose a specific deemed university.
- Are you ready to pay management quota fees for guaranteed admission?

Eligibility Criteria for MD Dermatology Admission 2025

Before applying for **Direct MD Dermatology Admission in Deemed Colleges**, ensure you meet the following requirements:

1. **Educational Qualification:** Must have completed **MBBS** from an NMC-recognized medical college.
2. **Internship:** A one-year compulsory rotatory internship must be completed by **March 31, 2025**.
3. **Registration:** Must hold a valid **provisional or permanent medical registration certificate**.
4. **Entrance Exam:** Qualifying **NEET-PG 2025** is mandatory, even for management quota seats.
