

BAR HOUSE

Everything The Home Bar Needs · Delhi

barhouse.in is a Delhi-based barware store for people who take their drinks seriously at home. Portable leather bar sets for the road, ribbed juice and cocktail glasses, jiggers, shakers and moulds that turn out clear round ice — the pieces that make pouring a drink feel like an occasion rather than an afterthought. Bought for the house, gifted just as often.

- 🏆 Bar tools, glassware, ice moulds and gift sets
- ★ Ready-to-gift packaging for weddings and festivals
- 💎 Shipped across India · Mon to Sat, 9 AM to 7 PM

A few pieces from the Bar House range

01

Portable Bar Set

A Portable Bar Set For Road Trips, Farmhouses And Gifting

Shop portable bar sets at Bar House — leatherette travel cases fitted with glasses, flask, jigger, opener and ice tongs, ready to pack and ready to gift.

- Everything held in place inside a padded, latched carry case
- Glasses, hip flask, jigger, opener and tongs in one kit
- Stitched leatherette outer that takes travel without scuffing
- Presentation-ready box — a solid gift for weddings and Diwali

02

Juice Glass Set

Juice Glass Sets That Lift An Everyday Drink

Browse juice glass sets at Bar House — ribbed and fluted glasses that catch the light, sized for juice, mocktails and highballs, and safe in the dishwasher.

- Vertical ribbed finish that throws light through the drink
- Comfortable capacity for juice, mocktails and long pours
- Thick, stable bases that resist chipping on the counter
- Sold in sets so the table always matches

03

Ice Cube Tray

An Ice Cube Tray That Actually Releases The Ice

Buy an ice cube tray from Bar House — flexible food-grade silicone with a lidded design that pops cubes out cleanly and keeps freezer odours out of your ice.

- Flexible food-grade body — twist once and the ice drops out
- Lidded design keeps freezer smells out of the finished cubes
- Stackable trays so you can freeze several batches at a time
- Rinses clean by hand or on the top rack of the dishwasher

04

Round Ice Cube Tray

Round Ice Melts Slower — And Looks Far Better In The Glass

Get the round ice cube tray from Bar House — sphere moulds that make bar-style ice balls, melting slower than cubes so whisky stays cold without going watery.

- Sphere moulds turn out the ice balls you see in cocktail bars
- Less surface area means slower melt and less dilution
- Fill, cap and freeze — no funnels and no leaking trays
- Available in several colours to suit your kitchen
