

Flame-Resistant & Hi-Vis Workwear · Built To Take The Heat

FORGE

FR

forgefronline.com outfits the trades that work around heat, arc flash and open flame — welders, linemen, refinery and pipeline crews, and anyone whose day job carries real fire risk. Hoodies, hi-vis parkas, coveralls and work shirts are cut from certified flame-resistant fabric, finished with reflective striping where visibility matters, and sized to be worn every day.

🛡️ Certified FR fabric — protection is built into the fibre

★ Hoodies · Hi-vis parkas · Coveralls · Work shirts
